A Message from Our Director

What a year we have all had, for the first time ever we were open last summer and stayed open all year.

We have served more than 1,500 students this year. Without our fundraisers for over a year and a half, it has made it challenging financially, but we made it work. Thank you to those that have had underwear drives at your office, made financial donations through having others donate for your birthday, and had volunteer alone or with groups. This support is what makes it possible for us to support the students every day.

This year we will be closing for part of the summer, the last day we will see students is

May 13th, however, we will continue to accept donations through **May 20th**.

Starting **May 21st** we will close for donations as well, remember you can drop donations at **Star Bright Cleaners** any time during the year.

For those of you that refer students we will have our new referral form ready for distribution by **July 1st**, please feel free to request our new form through our email referrals@gmail.com any time after **July 1st**.

Watch our website, www.locker505.org

this summer for updates of our wish list and our opening dates.

Please consider supporting our Mother's Day fundraiser with Kendra Scott in uptown or online, all information will be in this newsletter. This is our first fundraiser, and we could use your support, please feel free to share with friends and family.
